

(d) *Supplemental statements.* Where substantial changes occur or new information becomes available under a project or activity for which an EIS or draft EIS has been prepared and it is determined by a responsible NIFA official specified in §3407.4(b) that the changes are pertinent to environmental concerns, a supplement to the EIS or draft EIS may be required. The supplement shall be evaluated and processed in accordance with 40 CFR 1502.9(c).

(e) *Decisionmaking and implementation.* A responsible NIFA official designated in §3407.4(b) may make a decision no sooner than thirty days after the notice of availability of the final EIS has been published in the FEDERAL REGISTER by the Environmental Protection Agency (40 CFR 1506.10). The decision will be documented in a record of decision as required by 40 CFR 1505.2, and monitoring and mitigation activities will be implemented as required by 40 CFR 1505.3.

Subpart A—General

§ 3415.1 Applicability of regulations.

(a) The regulations of this part apply to research grants awarded under the authority of section 1668 of the Food, Agriculture, Conservation, and Trade Act of 1990, (7 U.S.C. 5921). Grants awarded under this section will support biotechnology risk assessment research to help address concerns about the effects of introducing certain biotechnology products into the environment and to help regulators develop policies concerning the introduction of such products. Taking into consideration any determinations made through consultations with such entities as the Animal and Plant Health Inspection Service, the Forest Service, the Environmental Protection Agency, the Office of Agricultural Biotechnology, and the Agricultural Biotechnology Research Advisory Committee, the Director of NIFA and Administrator of ARS shall determine and announce, through publication of a Notice in such publications as the FEDERAL REGISTER, professional trade journals, agency or program handbooks, the Catalog of Federal Domestic Assistance, or any other appropriate means, specific areas of research for which preproposals or proposals will be solicited and the extent that funds are available therefor.

(b) The regulations of this part do not apply to grants awarded by the Department of Agriculture under any other authority.

§ 3415.2 Definitions.

As used in this part:

(a) *Ad hoc reviewers* means experts or consultants qualified by training and experience in particular scientific or technical fields to render special expert advice, through written evaluations of grant applications, in accordance with the provisions of this part, on the scientific or technical merit of grant applications in those fields.

(b) *Administrator* means the Administrator of the Agricultural Research
